RE: [REDACTED]

SUBJECT: APPROVAL OF DISABILITY RETIREMENT APPLICATION

The Board of Trustees of the Police and Firemans' Retirement System at its meeting on October 19, 1998, approved your application for Accidental Disability Retirement effective October 1, 1998. You have the right to change this election to another type of retirement payment provided you file an amended application within 30 days of the date of the Board's approval; otherwise, the retirement will stand as approved and cannot be changed for any other reason thereafter.

If you continue to receive a salary beyond the effective date of retirement, no retirement benefits shall be paid for the period where you received salary and no salary or service credit shall be provided for the service rendered after the approved effective date of retirement. In addition, your employer shall be required to complete an updated Certification of Service and Final Salary.

The statute permits the Board of Trustees to require a disability retirant to undergo annual medical examinations to determine if she/he continues to be totally and permanently disabled and therefore eligible for continued receipt of his/her disability retirement allowance.

The Board has waived the 30-day waiting period for all Retirements with an effective date of October 1, 1998, and earlier. However, the processing of your retirement allowance will take approximately 6 to 8 weeks.
