Auction Results

The RGGI Participating States publish auction results in a report on each CO₂ Allowance Auction.

This page includes summary comparisons of auction data. Detailed reports on each auction are available below.

As shown in the [Market Monitor Report for Auction 9](#):

- **95 percent** of the CO₂ allowances in circulation will be held by electric generators and their corporate affiliates ("compliance entities") following the settlement of allowances sold in Auction 9
- **84 percent** of the CO₂ allowances auctioned in Auctions 1-9 were purchased by electric generators and their corporate affiliates
